West Bengal: The West Bengal Regional Records Survey Committee has been reconstituted with the Director of State Archives as ex-officio Member-Secretary and Convener of the Committee.

5.2.5 Resolutions of the 44th Session held at Bikaner, 21st-22nd February, 1976.

5.2.5.1 Resolution II: To enable the people to appreciate the historical background of our contemporary national efforts towards a new system of land relations, the National Archives, the different State Archives, and the Universities and learned institutions are requested to bring out monographs on relevant subjects, particularly to indicate the evolving pattern of land rights, together with specimens of the different land records at the village level in different parts of the country at different times. The Standing Committee of the Commission is requested to work out a phased programme and to coordinate the countrywide effort.

Delhi: As this Archives Department is not in possession of monographs, the work of publication cannot be taken up. However all necessary assistance will be provided to the research scholars connected with such projects.

West Bengal: The State Archives has at present no such plan for publication.

5.2.5.2 Resolution IV: Keeping in view the great importance of records extant in different Indian languages and in Persian, the Commission recommends the publication of selections from these records in extenso, with translations, annotations and critical introductions, for the convenience of scholars not similar with the old language and scripts in question. The Standing Committee of the Commission is requested to coordinate the programme and to indicate priorities.

Delhi: Archives Department has already taken up the translation work of Historical Documents in vernacular languages and for this purpose one post each of oriental Assistant and Hindi Technical Assistant has been sanctioned in the Department. The work of the publication of these documents will be taken up at the appropriate time.

Tamil Nadu: At present the State Government is not in a position to take up such projects. However in the meantime every care will be taken to preserve the records referred to above properly. Now the State Archives has undertaken the work of publishing select documents from english records.

5.2.5.3 Resolution VI: Resolved that the posts of the Director of Archives both at the Centre as well as in the States be filled up only by those who possess archival qualifications or have adequate experience of holding some responsible post in an archival repository of the country.

Gujarat: The resolution has already been implemented by the State Government.

Kerala: State Government have prescribed "Diploma in Archives Keeping and Administration" as one of the qualifications for the post of Director of Archives.

Rajasthan: The State Archives has kept this provision in the state archival service rules.
